## **Introduction**

This Manual applies to FFM residents and is intended to provide guidelines and summary information and personnel policies, procedures, benefits, and rules of conduct. The policies and procedures governing the resident protect rights within that are fair, clearly stated and legally permissible.

The policies described herein are a predetermined course of action established as a guide for FFM homes.

It is important that you read and understand the requirements of the manual and comply with the standards established. Please talk with the FFM house manager if you have any questions or need additional information concerning any policy or procedure.

It is not possible to anticipate every situation that may arise at FFM or to provide information that answers every possible question. As a result, FFM reserves the right to modify, supplement, rescind, or revise any policy, benefit, or provision from time to time, with or without notice, for the safety of its residents.

## **About Freedom Followers Ministries**

We strive to help individuals who feel like they've hit "rock bottom" and give them an opportunity to step up and develop the tools needed for long term recovery. Our hope is that through our own experiences of deliverance, and developing a personal relationship with God, we can lead people out of darkness into a life of love and fulfillment.

Our program is developed to break the chains of addiction and give everyone an opportunity to mentor others faced with the same paradox. We provide resources through our staff and our trusted partnerships with organizations within our community. We bring an awareness to the living, and powerful word of God – manifested through a personal relationship.

## **Mission Statement**

Our mission is to reach, teach and inspire the broken hearted. Our goal is to provide a safe, non-judgmental, loving home for each individual seeking freedom from addiction and a new way to live. Our primary purpose is to lead each individual out of darkness and ignite the fire of God using biblical principles with a 12-step program.

## FFM Residency

Residency is a mutual consent between the resident and FFM. The decision for residency will be based on completion and approval of an application. Application can take two weeks to process. Individual's observed behaviors within the institutions, jails, and recommendations from the courts or of those of integrity within our community or ministry programs will be considered. Both the resident and FFM have the right to terminate the residency at any time.

Within twenty-four (24) hours of residency FFM residents are required to:

1. Turn in signed Application for Freedom Followers Residency
2. Sign Tenant Release Agreement
3. Sign Contract of Residency
4. Sign Hold Harmless and Indemnity Agreement
5. Sign Release for Drug Screen/Test
6. Sign Resident Manual with house manager

Any violation of any rules and guidelines will result in a sanction. **Three sanctions will be an automatic dismissal from the home.**

## Standards of Conduct

1. The standard residential program is twelve (12) months. Residents can stay past the 12-month period, if desired. The FFM house manager will inspect personal space before clearing a resident to move out.
2. Residents will be assigned to share space with a roommate unless individual rooms are available. Mutual respect is required by all residents.
3. Room checks will be constructed by FFM staff at any time. FFM will make every effort to respect the privacy of the individual and provide advance warning when possible. However, no advance warning is required; this is done as a courtesy.
4. All prescribed medications will be counted weekly by house manager and secured in a lockbox. Any resident caught using any prescribed medications/controlled substances unknown to the house manager or exceeding one day's dosage of prescribed medications will be evicted.
5. FFM is not, at any time, responsible for a resident's personal items/belongings. Residents are responsible for the security and safekeeping of their own personal items/belongings and are responsible to take their items/belongings when they depart. If, for any reason, this does not occur, the resident may contact the house manager of FFM regarding the retrieval/disposition of their personal items/belongings. FFM will not store personal belongings for more than thirty (30) days.
6. Any criminal acts committed while a resident at FFM house will result in immediate termination from the program.
7. FFM residents are not permitted on any other property within the community without permission from the owner of the property. Additionally, FFM residents must be accompanied by the property owner.
8. No illegal activity of any kind will ever be permitted or tolerated.
9. No pornography of any kind will ever be permitted or tolerated.

10. No fighting, violence, menacing, or threats of violence of any kind will ever be permitted or tolerated.
11. Lying and stealing are strictly prohibited. If caught, you will be sanctioned.
12. Residents are required to purchase their own food. Residents are not allowed to share food with other residents unless agreed upon. Stealing food will be grounds for eviction.
13. No firearms or weapons of any kind will ever be permitted or tolerated.
14. Possession or consumption of alcohol or drugs will never be permitted or tolerated. Smoking is discouraged but allowed in designated areas.
15. Language should be polite and refrain from using swear words.
16. Dress appropriately and modestly. No gang style clothing, sagging pants, etc. will be tolerated.
17. Residents must always be clothed when leaving their rooms. Walking around in your under garments is not allowed.
18. FFM program strictly prohibits any sexual interactions of any kind within the home. This could result in a sanction or immediate eviction of residency.
19. Behavior considered to be a conflict of interest (i.e., sponsorship, employment, dating, etc.) between residents is prohibited.
20. Pets are not allowed.
21. Door codes will be given to each resident who lives in the FFM home. The FFM door code is not to be given to anyone not living in the home unless house manager permits. The door code will be changed immediately following the exit/move out of any house resident, despite any circumstances.
22. Romantic relationships are not allowed while living in the FFM home. Only if a woman is legally married and the courts deem it helpful for the relationships will couples be allowed to be in contact.
23. If friendships in the house appear unhealthy, then contact will be limited between individuals. That means there will be no running around outside of the homes and limited contact while in the home. Bad relationships are primarily the root of what has landed most women into this program and working toward healthy relationships is paramount to your success.
24. The decision to dismiss a resident from the FFM program is at the sole discretion of the FFM house manager and/or director.
25. Residents dismissed from the FFM program must immediately gather their belongings and leave the premises. The failure of the resident to do so will constitute criminal trespass and subject him or her to arrest. Time expansions may be granted case by case by house manager or director.
26. FFM cooperates fully with law enforcement authorities, including state and federal parole and probation officers. Failure to comply with drug court requirements, mental health court requirements, probation, parole, and community sentencing will result in immediate dismissal of the home. Disrespecting the program regulations that are keeping you out of prison is unacceptable and will not be tolerated.
27. FFM is not liable for any physical harm done by one resident to another. If one resident harms another resident, FFM will dismiss the assailant from the program immediately. However, it is up to the individual resident to file any criminal or civil charges against another person if the resident believes such action is warranted.

- 27 An authorized absence from the FFM home is time away from the program to cover special circumstances occurring in the resident's life. Any resident who stays past curfew or overnight at a place other than FFM home without an approved absence will be deemed having broken curfew, and house guidelines. Drug test will be at the expense of the resident and will follow all guidelines required by staff and drug test facilities. “I understand refusal to submit to a UA is considered a positive test result, and I will accept the consequences.”
3. When requested by the FFM house manager, the resident must produce a urine specimen within one (1) hour after the request is made. Delaying beyond a reasonable period of time can be deemed a refusal. All tests will be done at local drug test facilities. If facilities are closed or cannot perform the test, the FFM home staff who is the same sex as the resident being asked to produce the urine specimen is to accompany the resident to the restroom and remain in the general proximity of the resident as they produce the specimen. As soon as is reasonably possible after the urine specimen is collected, one of the FFM staff is to conduct the urine test. The urine test is to be conducted in the presence of at least one other FFM home staff and the resident from whom the specimen was obtained. If the test cannot be done under these circumstances, then the specimen should be sealed and locked up until the earliest opportunity arises to conduct the drug screening test.
4. Residents who have a confirmed positive drug and alcohol test will be asked to leave the premises immediately and cannot return for a minimum of two (2) weeks. ## Resident Grievance

Grievances should be handled Biblically:

*“If your brother sins against you, go and tell him his fault, between you and him alone. If he listens to you, you have gained a brother. But if he does not listen, take one or two others along with you, that every charge may be established by the evidence of two or three witnesses. If he refuses to listen to them, tell it to the church. And if he refuses to listen even to the church, let him be to you as a Gentile and a tax collector.”*

**Matthew 18:15-17**

- Discuss the matter in private with the resident.
- Have a meeting which includes the FFM house manager and the resident.
- Bring the matter up before the entire community.
- Take the issue to the FFM house manager.

If the issue does still does not get resolved, resort to the following steps:

- **Step 1:** If a resident has a criticism of or complaint against a FFM staff member or other resident, the resident may file a grievance with the house manager. This is a verbal and

writing complaint for airing grievances and does not in any way represent a legal claim against Freedom Followers Ministries. If grievance is referring to house manager, skip step one and go directly to step 2.

- **Step 2:** If a resident files a grievance, house manager must bring it to the attention of the Freedom Followers Ministries director via phone and email.
  - (918)805-5769
  - Freedomfollowers.ministries@gmail.com
- **Step 3:** FFM director will speak one on one with resident and come up with 3 action steps to resolve issue.
- **Step 4:** Once the resident completes all 3 action steps, if the issue still exists, please follow the link to file a grievance with Oklahoma Alliance for Recovery Residences.
